

# Support for everyday life

Welcome to purpose-built solutions that help your organization reach its full potential.

Optum® Emotional Wellbeing Solutions is more than your traditional employee assistance program (EAP). Emotional Wellbeing Solutions empowers global leaders with the tools and know-how to make wellbeing a permanent part of your organization’s culture by giving people support for everyday life.

We help people deal with challenging situations, such as stress and burnout, parenting, caregiving, personal finances and more – all so your people live healthier lives, and your organization gets stronger, more productive and resilient.

**67%**  
of individuals report feeling less stressed after calling for support<sup>1</sup>

“When I called, the reps on the phone were warm, caring and friendly. They listened without judgment and directed me to the proper resources. The process was seamless in connecting me with the help I needed quickly. **It was a true lifesaver for getting myself back in balance.**”

– Donnie, member

**51%**  
of individuals who call want in-the-moment support<sup>1</sup>

# An experience that truly serves your people

## Access anywhere, anytime

We help members manage the situations they face in everyday life, whether big or small. With telephonic, text, digital and in-person support, help is just a click or a call away. Employees can engage with us when they like, how often they like, and from wherever they like, so they can feel better faster.

## Personalized support options

Emotional Wellbeing Solutions provides personalized, guided care through every step of an employee's journey. Our digitally enabled navigation creates a circle of support for your people, from self-care tools and coaching, to peer-to-peer support and mental-health trainings in the workplace.

## Purpose-built for your organization

Our wellbeing solutions should be as unique as your organization. We devote dedicated resources to your needs, whether that's a care specialist on-site at your location, apps and tools selected for a mobile-first workforce, or support staff trained in the cultures of the countries you work in.

"A lot of the calls are **regular people who are going through the hardest time in their lives**. I will often be the first counselor the member has ever talked to and usually, by the time they are calling, they really need some support. In this job, I get to give that support."

– Beth N., Emotional Wellbeing Specialist with a master's degree in counseling and psychological services

## Connecting your people to care, with care

- ✓ Emotional wellbeing specialists trained to provide real-time telephonic emotional support at any time: 24 hours a day, 365 days
- ✓ On-site support teams, embedded in your culture and trained to mind the cultural specifics of the countries you work in
- ✓ Fast referrals to additional in-person or virtual care resources, at both global and local levels
- ✓ Access to a wide range of support available 24/7, from mental health services to tools for managing everyday life stressors

## Offering support for everyday life – and beyond

Stress and burnout

Parenting and caregiving

Relationships

Mental health

Financial concerns

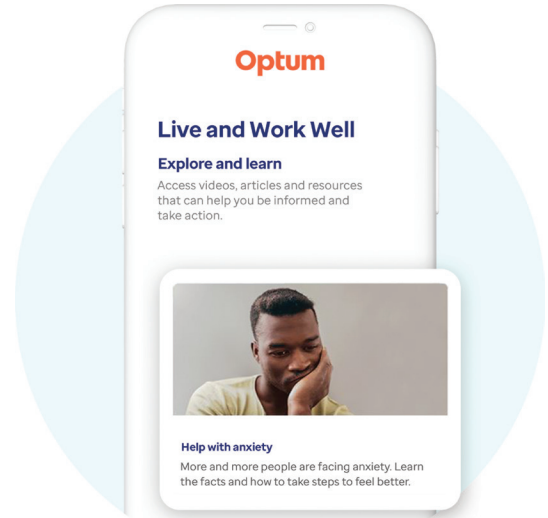

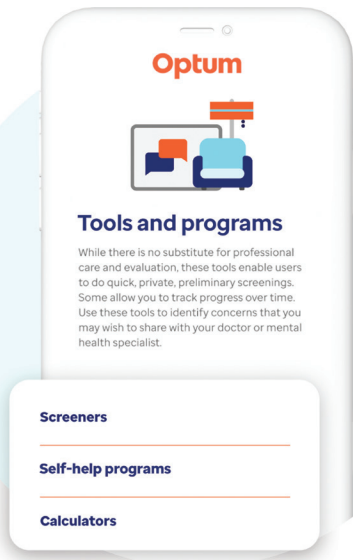

Care guidance and navigation

Legal issues

## Surrounding each person with care

Emotional support is just as important at home as in the workplace. Your people's family members are covered and supported by Emotional Wellbeing Solutions tools and programs, so each employee can be surrounded with a network of wellbeing every day.

## A comprehensive collection of resources that goes wherever employees do

Our digitally enabled tools and programs give your people personalized, guided care through every step of their journey and help them feel more in control of their emotional wellbeing day-to-day. This digital front door collects all the resources they need into a single point of connection.
